JULY'S NEWS

Despite the extension of the lockdown, we are optimistic that by the end of July, life can FINALLY resume as normal. We are sure you are equally as excited over the idea of us being able to return to our usual lives, and hopefully the weather starts to play its part.

A NOTE FROM SACHIN

We are looking forward to the summer ahead and hoping as things open up, the weather also starts brightening up so we can truly enjoy July and August. Hopefully you have enjoyed the activities returning thus far, as much as restrictions have allowed.

Feedback from the residents' meeting has now been actioned and we have ensured these will be carried out within the next few weeks. We also have lots of plans for the garden, getting everyone involved over the upcoming months.

Everyone is now vaccinated with both vaccinations and we have had no positive covid test for 6 months.

We would just like to remind everyone that we are here to help you and wish to work together closely with any issues. Libby should be always your first point of call for any problems and this will then be reported to me so that it can be resolved promptly. We will endeavour to work

together as a team to ensure a happy village. As always, we value your opinions and input, so please feel free to feedback on ways we can improve our wonderful Village.

STAFF UPDATE

We are excited to announce that Pat Jobson will now be starting on 16th August following the sale of her house and an offer being accepted on a new one. We hope you will welcome her to her role and look forward to her joining our team.

Alison Ashton is a new addition and will be working in admin and HR for the care home. Emma Carr is our latest addition to our amazing Care Home team and joins as the Deputy Manager.

We also have Ashleigh joining us as the new beauty therapist and she is available on Mondays and Tuesdays. Please book with reception and find her services attached. Amy is still available for her amazing Aromatherapy treatments.

A NOTE FROM STEFAN AND THE KITCHEN TEAM

We were disappointed to see the extension of the lockdown restrictions, meaning another delay on welcoming you to our restaurant as normal. The weather has also decided to return to more gloomy times giving us restrictions on outside dining. However, we have endeavoured to bring you an exciting menu for the month ahead which is attached to this newsletter.

Don't forget to let us know if you have a special occasion coming up and we would love to help cater that whether it be a simple cake, or something more indulgent.

UPCOMING EVENTS

We have been disappointed with the extension of another lockdown, meaning that events are still somewhat limited, however, we hope at the end of this month, to see our vibrant events schedule return.

Britain is Back was a taster of what is to come, and we are really hoping to hold a fantastic Family Fete in August. This will be confirmed once we have the go ahead from government and local authorities to hold such an event.

Please see the events schedule later in our newsletter to see what we have in store for the month, and if you have any additions you would like to suggest, please let Libby know.

A NOTE FROM ANDREW

The summer bedding has been planted in the courtyard and outside the front of reception area and the shrubs are now flowering.

We have newly planted Escallonia Apple Blossom and two buddleias by Anthea's garden seat are about to flower giving us a nice flourish of colour (and hopefully will bring in some butterflies for us all to enjoy).

Summer will welcome lots of colour and pollinators so we hope you enjoy the gardens and get a chance to step out and spot some lovely wildlife.

A NOTE FROM MARY

Mrs Best has recently moved into 7 Bourton Lodge and we hosted a coffee morning to welcome her to the apartments. Thank you to those who joined.

Mrs Webb is moving into 1 Bourton soon, once her house is fully sold, and she hopes to be joining us at the end of August or beginning of September.

We are excited to say the Britain is Back event offered potential sales with 11 Bibury reserved and the residents will be moving in on the 26th July.

The latest sales newsletter will feature our 1 bedroom properties in the hope to really promote these and we hope that we can have continued success with these sales. We also have a 3 course dinner planned for later in July for potential purchasers in the hope that this may help them make the decision to move to our wonderful Village.

Please don't forget the trial Tai Chi class on 12th July at 2pm!

While we are not out of lockdown yet, we have put together some more evenings for you to look forward to.

Please note, activities and events are limited due to lockdown and government guidelines.

EVENTS ARE SUBJECT TO CHANGE DUE TO LOCKDOWN PROCEDURES

RECEPTION UPDATE

We will be completing our monthly PCR covid testing for all residents on site and will bring these around in July.

As discussed in the last resident's meeting, a letter will be handed out regarding the DNR. This is your personal preference so we can add it into our medical file at the reception. Please do not feel concerned about this, and if you would like any additional information on this just ask.

We are very excited that Wimbledon is back! Please request the games that you would like to view as these can be played on the big cinema screen. With England progressing to the Semi Finals of the Euros, we will also be offering you to join us by watching the game on the big screen. Hopefully it's coming home!!!

Your apartment cleaner is called Maria and your time slots will be the same as normal. But any issues you have please just contact us.

Stoyan would also like to assure everyone he is reading your metres on a monthly basis and also checks the pendent system on a monthly basis. Should you have any further concerns, please do not hesitate to contact Libby or Sachin who can escalate the matter further.
